Last 30 Days of Season 30

Announcements ChaoticLu Jun 1, 2023

The season of The Companion is reaching an end, but that doesn't mean gaming with friends has to! Join the journey and see what our ambassadors have accomplished this season.

The Xbox Ambassadors Accessibility Explorer Path

In October 2022, the Xbox Ambassadors program partnered with the Xbox Accessibility team to launch the Xbox Accessibility Explorer Path (XAEP) to help ambassadors learn about accessibility in gaming.

We surpassed our goal of reaching 1 million quest completions in the XAEP by Global Accessibility Awareness Day–one month ahead of target!

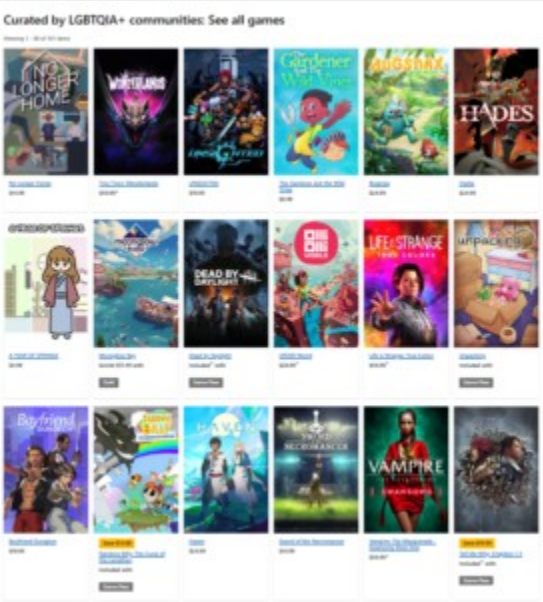
This is not the end of our Explorer Path. We want to continue helping our ambassadors learn more about accessibility in gaming, so keep an eye on our Accessibility Tab Missions for new surprises.

Joining forces with Xbox Plays!

Xbox Plays is the official community built around the Xbox Twitch channel and its Discord server (Xbox Plays). Later in May, Xbox Ambassadors will be invited to join Xbox Game Nights each Friday from 3-5 PM PST. Join the Xbox

Ambassadors Discord server to learn more about Xbox Game Nights and other events like our own XA Play Dates.

We will continue to host our own XA Play Dates, but these events are another fun way to enjoy social gaming with your fellow ambassadors and others in the Xbox community. We hope to see you there!

Celebrating Pride


This month, we're celebrating Pride Month by running a series of quests for our Pride Games, featuring creators, playable characters, and romance options for the LGBTQIA+ community… this means ambassadors will get more than one featured game per week! Visit our Quests Page to play our featured category games like Rainbow Billy, Garden Story, and Unpacking.
